ENWHP-Newsletter-Team

The current topics

work. in tune with life – more than 1500 companies has checked the quality of mental health promotion at their workplace

At halftime of the campaign work. in tune with life. move europe more than 1500 companies have reviewed their Mental Health Promotion by completing the Mental Health Check. Above all French companies have a strong interest on an assessment. Even if the achieved average score has only a limited value, there is obviously an urgent need for action in the field of mental health promotion. [more...](#)

Workplace Health Promotion and the Improvement of competitiveness in around 120 Romanian companies

Starting in 2009, Romtens Foundation has initiated the implementation of 2 Regional Projects in Romania, projects funded through The Cohesion Fund of the European Union and the Romanian Government. The main theme in both projects is Workplace Health Promotion and the Improvement of competitiveness in around 120 companies from those 2 Romanian Regions. [more...](#)

Workers with Mental Illness: a Practical Guide for Managers

Film about the taboo of mental health in the workplace

Every year UK businesses lose £26 billion and 70 million working days because of conditions like workplace stress. Mental health is still taboo in the workplace, with millions of people feeling that they need to put on a 'brave face' and hide their workplace stress. The film, made by Mind'work a local and national mental health network for England and Wales, show that on a wonderful way. [more...](#)
